10 Reasons to Remember the RCEF this Holiday Season

1. It's a great time of year to think of a charitable donation to a good cause - like our children's education.
2. You are still in time to get that handy 2008 tax receipt you will love having in April.
3. You want to say thanks for Music for Learning, Outdoor Education, our district Wellness Coordinator, and the innovative classroom programs your child is receiving.
4. You understand that good schools don't just happen - communities decide to make education a priority.
5. You believe that all kids deserve a good education, and our future depends on it.
6. You want to make a donation in honor of a special friend, teacher, or relative. You know, those people who already have everything and are so hard to buy for.
7. You can make a one-time payment or monthly pledge on line by going to: www.rcef.org. How easy is that?
8. Your support makes it easier for us to get funding from major foundations and corporations.
9. You want to help us raise \$400,000 by July 31, 2009 to continue enriching our children's education next year.
10. The state education budget will soon be cut by \$4 to \$10 billion. Our students need your help now more than ever.

Please give generously today by sending us a check or donating [on-line](#).

Corazon al Sur donates proceeds to the RCEF

With your purchase of the CD "Del Norte Al Sur" between December 20, 2008 and April 20, 2009, you can enjoy classic jewels of the tango milieu and help our students at the same time.

You can listen to and purchase the CD at <http://cdbaby.com/cd/corazonalsur>. On checkout page 2, type in "RCEF" to answer the question "Where did you hear of the music you are buying?" and we receive 50% of the proceeds.

Thank you to Claudio Ortega and Stephanie and Peter Newsom, the members of Corazon al Sur.
