# A FAMILY WORKSHOP: Building Resilience in Our Students

An engaging community event where kids and their adults will explore the power of resilience and learn how to navigate challenges. Through hands-on activities and discussions, we'll dive into how resilience is built in schools and how we can support our students in overcoming adversity. This is a unique opportunity to come together, learn, and empower every child to succeed—don't miss it!

**February 6, 2025**  
**2:00- 5:00pm {after school}**  
**CZI Community Space**  
**801 Jefferson Avenue**
