

Local Students Need Your Help!

www.rcef.org

Dear Redwood City,

As the school year comes to a close, we want to celebrate the achievements and resilience of our students, teachers, and families. Amidst these successes, we are also preparing for upcoming challenges. Budget cuts and expiring COVID funds will hit schools hard in 2024-25, especially those with more low-income families, English learners, homeless, and foster youth.

The Redwood City Education Foundation (RCEF) is dedicated to funding essential programs in our local schools so all students have access to the education they deserve, regardless of their background or circumstances. **Action is needed now.**
